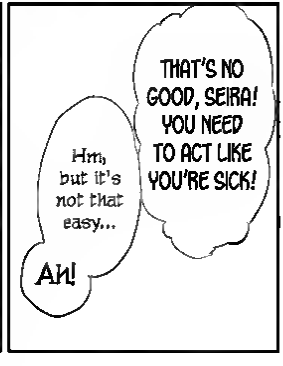
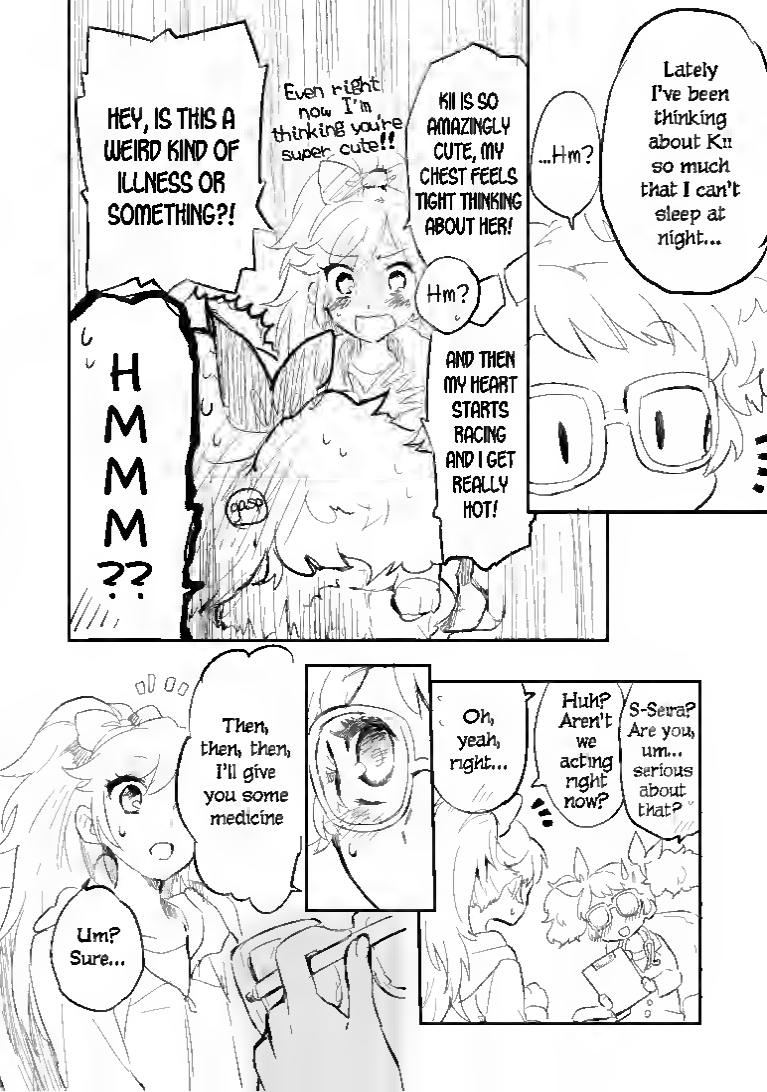
The image of a doctor fits you perfectly, Kit!
Okay!
IN PREPARATION FOR MY NEXT DRAMA AUDITION, I'LL BE DOING IMAGE TRAINING AS A DOCTOR, A DOCTOR!

Well, I feel pretty healthy right now...
Huh? We're starting already?!
Otoshiro-san, how are you feeling today?

By the way...
stare...
Yes, yes, what is it?



THAT'S NO GOOD, SEIRA! YOU NEED TO ACT LIKE YOU'RE SICK!
Hm, but it's not that easy...
Ah!



Lately I've been thinking about Kii so much that I can't sleep at night...
...Hm?
Kii is so amazingly cute, my chest feels tight thinking about her!
Hm?
And then my heart starts racing and I get really hot!
Even right now I'm thinking you're super cute!!
Hey, is this a weird kind of illness or something?!
Hmmm??
Oh, yeah, right...
Huh? Aren't we acting right now?
S-Sera? Are you, um... serious about that?
Then, then, then, I'll give you some medicine
Um? Sure...

...What a strange illness.
